* Snow Days are built into the school calendar. The last day of school is determined by the number of snow days that it will be necessary to use. **The last possible day of school is planned for MAY 26.** It may be earlier than May 26, depending upon how many of the snow days are used, but it will not be later than that date. For example, if no snow days are used, the last day of school for students will be May 18th, if one snow day is used it would be May 19th and so on.
