Email Mrs. Limback your message and the pictures if you have them online. Email the pictures as a jpeg. If you only have the pictures in a physical copy, give them to Mrs. Limback in an envelope. You can also drop off the message and pictures in the office. The pictures, the message, and the payment are due Friday, February 20th, 2020. If this time schedule is a problem, please contact Mrs. Limback at the high school. The photos will be returned with your student's graduation information.

If you choose to recognize your child in this way, you will undoubtedly wish him or her to have a yearbook as well. Please check to make sure you have ordered your 2019-2020 yearbook. To order a yearbook, go to [www.jostens.com](http://www.jostens.com). If you have any questions about purchasing a yearbook or a parent ad please contact Mrs. Limback at the high school.

**Organizing & Creating Quality Content for Multiple Media Platforms**

The new Multimedia class leads the charge in previewing games/activities with cool graphics. They also provide support for an army of volunteer students who do live updates from school events. These posts are routed to the appropriate platform (Facebook, Twitter, or Instagram) using a third-party interface called Class Intercom. This product allows administrators to approve the posts prior to publishing. These student leaders also create interactive social media features such as Who Knew? Wednesday and Throwback Thursday. The video production unit of this group has created a football video, a fall feature video, which was debuted at the October P.R.I.D.E. Recognition Rally, and several weekly news updates. This students are also in charge of live streaming several activities using Striv. Students organize, promote, provide color commentary, and create commercials for these events. The innovative work these students are doing to increase student voice and raise digital citizenship awareness is outstanding. The Journalism students will continue to produce the yearbook, but they have joined forces with the Multimedia group to offer three levels of support to the entire multimedia group using both the Class Intercom and Striv tools. Please contact [jeremy.fries@sewardschools.org](mailto:jeremy.fries@sewardschools.org) or [kelley.limback@sewardschools.org](mailto:kelley.limback@sewardschools.org) if you would like to purchase any of the three advertising packages.

**SHS One Act Competition**

This year Seward High School's One Act show for central conference and district competitions is "Appropriate Audience Behavior," written by Ian McWethy and directed by Dory von Kampen. This comedy puts the spotlight on the audience, as two people try to watch an unseen Shakespearean masterpiece with some highly distracting fellow theater-goers.

Over 25 actors and crew are working to make this a great show, and we're grateful to The Booster Club who has supported SHS One Acts for 25 years.

We will have an open Dress Rehearsal on Tuesday, November 19th at 7 p.m. in the High School Theater. There is no charge, but donations to support drama are welcome!

Doors will open at 6:30. Our competition dates are Tuesday, November 26th in Crete for Conference, and Friday, December 6th in York for Districts.

**After School Study Group**

Students have access to extra assistance study group on Monday-Thursday each week from 3:45-4:45 p.m. in the Seward High School library. Students have access to Seward High School staff members. Students needing computer access are also welcome to attend.

**Parent/Teacher Conferences**

The second round of parent/teacher conferences is scheduled for Tuesday, November 12 from 5:30-7:30 p.m. Parent/Teacher conferences provide an excellent opportunity for you to meet your son and/or daughter's teachers, get updates on their academic progress, and obtain other information that will help you to support your student in the journey through high school.

**Junior Parent/Guardian Session with Counselors (6:45-7:30)**

A special program will be held for the parents/guardians of junior students the evening of the November 12 parent/teacher conferences. Junior parents/guardians are strongly encouraged to attend. The presentation will start at 6:45 p.m. in the new theater and will last approximately 45 minutes. School staff will share information regarding post-high school admissions tests, college planning, financial aid, and 2020-21 course registration. Don't miss this valuable opportunity!

### Winter Sports Key Dates

Winter Sports practice will begin Monday, November 18.

The winter sports parent meeting will be held November 21 at 6:30 pm in the Little Theater at the High School.

### Senior Banner/Spirit Apparel

In the past, seniors have been able to independently order senior banners for specific sports for their personal use. This option is still available; additionally, the school has also established a new systematic opportunity that allows us to honor *more* students in *more* activities as well as save students money by incorporating all of their activities into one banner. Seniors wishing to have a banner displayed in the main lobby may visit: <https://shop.sportsexpress.biz/sewardschools/>.

Fans will also find Seward High spirit apparel at the same site.

### End of First Semester and Start of Second Semester

The last day of classes before winter vacation is Friday, December 20. Classes will dismiss early at 1:30 pm. School resumes with the start of second semester Monday, January 6. The staff at Seward High School wishes our families a happy holiday season!

### NSAA Moratorium

There will be no sports practices or competitions December 22 through December 26 due to the mandatory five-day NSAA moratorium. Additional information regarding sports practices and competitions during the winter break will be communicated directly by the coach of each sport/team.

### Class of 2020 Commencement Ceremony

The 135rd annual Seward High School commencement ceremony will be held Sunday, May 10, 2020, at 2:00 p.m. in the south gym at Seward High School. This information is being provided as early as possible for family planning purposes. Additional information regarding the ceremony will be provided in subsequent newsletters.

### Term 3 Schedule Changes

The third term of the 2019-2020 school year will begin Monday, January 6, 2020. Students and parents/guardians should be advised that schedule changes will only be made on a limited basis once the new term begins when there is a scheduling error or some other educationally significant variable making it necessary. Students will be given an opportunity prior to the start of term 3 to request schedule changes. The purpose of completing this process prior to the start of a new term is to prevent unnecessary interruptions to classroom instruction once a new term begins.

## Tips for Parents

**Encourage Respect:** Teaching your teen to be respectful at home can make them more considerate and improve their relationships with friends, teachers, and bosses. Try these ways to promote respect.

**Address the Behavior:** When your adolescent sighs, stomps off, or talks back, it may seem easier to overlook it than to argue about it. But letting them get away with it won't help them-or you-in the long run. Take the time to discuss their behavior and to set consequences.

**Offer Strategies:** Talk about appropriate ways for them to handle situations where they tend to be disrespectful. For instance, if they often ask for your input and then roll their eyes at your suggestions, spell out what she could do instead (Say, Thanks, but I'm not sure that will work because...). Or agree on a look or gesture that quickly communicates to them, "Think of another way to respond!"

**Respond Respectfully:** Demonstrate respect with how you react to their behavior. If you're in public, you might pull them aside to keep the matter private. Let them know what they did was wrong. Then explain what will happen if their rudeness continues (your shopping trip will be over or you will not be playing your games anymore).

### Making College Possible: Suggestions for Parents/Guardians

The following list of suggestions comes from the EducationQuest Foundation. These suggestions are research-based and consistent with the message being delivered by Seward High School staff on a daily basis. The goal of providing this information to parents/guardians is to help create a consistent message between home and school.

You can help young students make college possible by:

- helping them understand academic requirements for admission into a four-year college and encouraging them to take rigorous courses in high school. This will be especially important as we

register for the upcoming school year in January and February of term 3. Additional information regarding the upcoming registration process will be included in the January newsletter.

- encouraging them to get involved in extracurricular activities to gain leadership and teamwork skills, increase scholarship opportunities, and stay out of trouble.
- guiding them to helpful resources if they are struggling academically, socially, or emotionally. Please contact the staff at Seward High School if your student is struggling in any one of these areas. Our staff is driven to serve and we have a wide-array of resources and interventions both at the school and through school-community partnerships to help provide our students the support they need.
- helping them explore career options – and research colleges that fit their desired career choices.
- helping them understand ways to pay for college including financial aid. Seward High School will provide several opportunities throughout each school year to help support parents in obtaining this valuable knowledge.
- coordinating visits to area colleges and universities.

### Student Personal Learning Plus

All SHS students have a tool that can keep them organized throughout their high school career: It's called their Personal Learning Plan or PLP. Within the PLP, students can map out their five-year plan, list their goals, keep track of their graduation checklist, record their volunteer hours, add information to their resume, and much more. Ask your child about their PLP. It is stored in their Google Drive as LastName.FirstName(Class of 20xx)PLP.

Name:

The Bluejay Personal Learning Plan will assist you in many ways:

- Discover your interests
- Record your test scores
- Define your goals
- Plan your path
- Track your progress

Seniors... A Guide for Your Journey to College from EducationQuest (Winter Suggestions)

- Watch for communication from the colleges you applied to via your online student portal, email or mail.
- Having completed the FAFSA, be prepared for verification. The college(s) may request documents to verify your FAFSA information.
- Watch for financial aid award notification from colleges which you listed on the FAFSA.
- Continue to apply for scholarships.

Exploring Careers (from EducationQuest)

Exploring careers before you select a college will help you find the school that best fits your career interests and goals. Follow these steps to get started:

**1. Learn more about your interests and skills.**

Complete at least two interest or skills assessments to learn about careers that might be a good match.

- Ask your school counselor about assessments at your school.
- Use free online tools including:
  - [H3.ne.gov](http://H3.ne.gov) (high wage, high demand, high skill jobs)
  - [MyNextMove.org](http://MyNextMove.org)

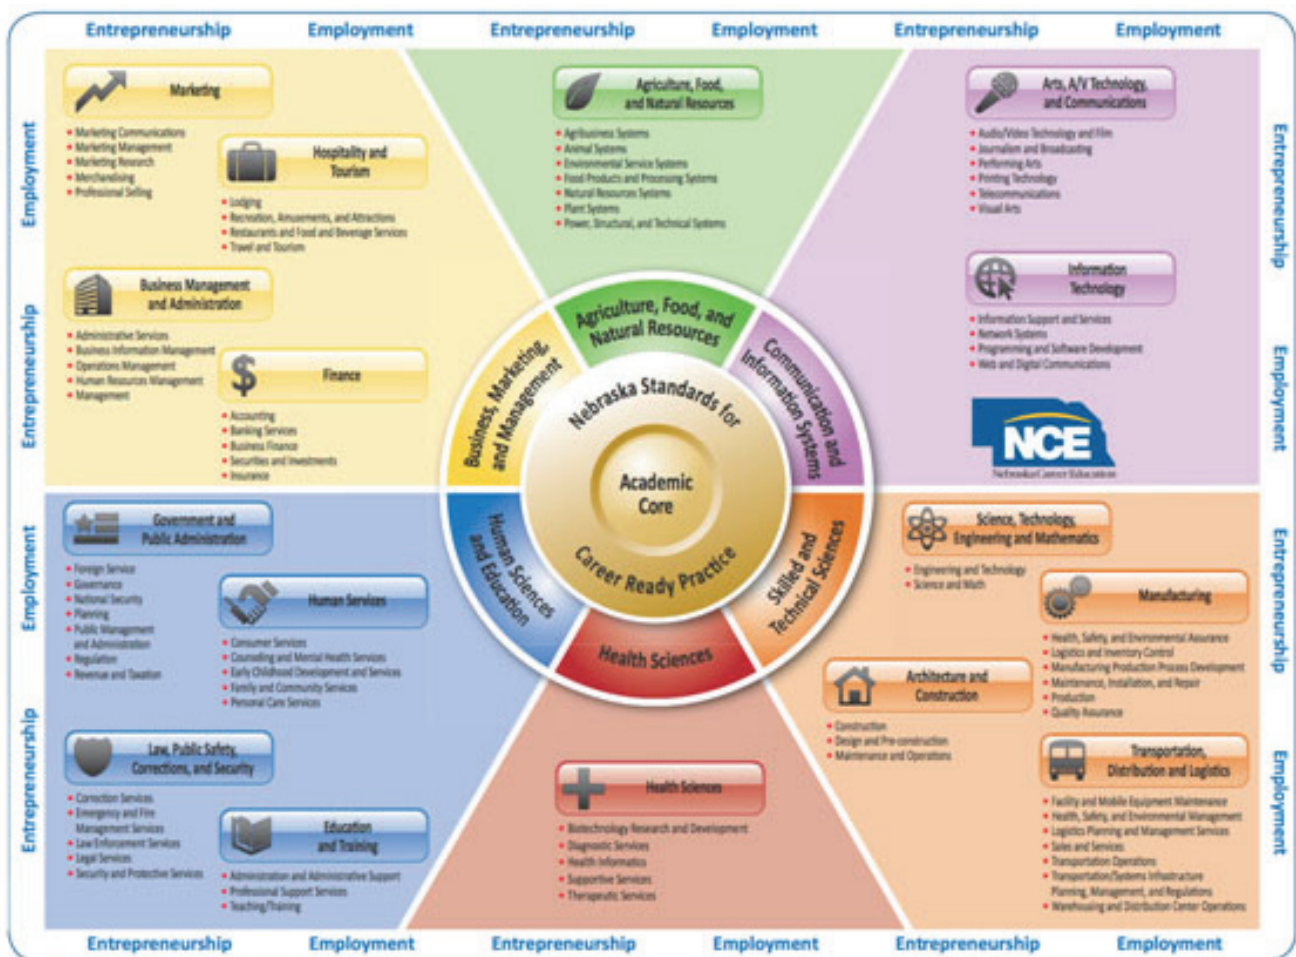

- [NebraskaCareerConnections.org](http://NebraskaCareerConnections.org)
- [BigFuture.collegeboard.org/explore-careers](http://BigFuture.collegeboard.org/explore-careers)
- Use free assessment tools at EducationQuest:
  - Choices Interest Profiler
  - Career Cruising Profiler

**2. Do some research.** Research potential careers based on your assessment results.

- Review the career diagram below to learn more:
  - The six broad “career fields”
  - The 16 “career Clusters” that group careers with similar skills and themes
- Additional information can be found at <http://www.nebraskacareerconnections.org>.

**3. Develop a career plan.** Map out the education and training you’ll need for your future career.

- Use “Reality Check” at EducationQuest.org to determine if your potential career choices will provide the lifestyle you desire.
- Talk to your school counselor about college majors that will help you reach your career goal.
- Use College Profiles at EducationQuest.org to find schools that offer your potential major(s).
- Participate in activities that match your career interests such as school clubs, community service, job shadowing, internships, and part-time jobs.

### Activities

As we transition into the winter activity season, a reminder about the “alternate transportation” policy seems appropriate. Depending on the circumstances, one of two documents will need to be signed.

When students are involved in extracurricular activities they are strongly encouraged to ride on the school provided transportation. The bus ride home is a valuable part of the extracurricular experience, but, if a parent wishes to take their child home after a contest, they may do so. Each coach/sponsor has a check out sheet that allows only the parent/guardian to take their son/daughter home after an event.

In rare or unusual circumstances, alternate transportation may be needed. For example, a student may be taking the ACT until 11:30 am and they are involved in an activity that departs at 10:30 am. If this is the case, a parent/guardian must come into the office at Seward High and sign a waiver at least 24 hours in advance. This release will allow the student to utilize alternate transportation.
