**IMPLEMENTATION OF STUDENT ASSISTANCE TEAM PROCESS**

Pursuant to the Rules of the Nebraska Department of Education, the school district uses general education student assistance teams (SATs). SATs consider and create problem-solving and intervention strategies to assist classroom teachers to meet the needs of students who may be struggling in the general curriculum.

All teaching staff must:

- 1) Support the SAT process by appropriately referring students who may benefit from the SAT process; and
- 2) Faithfully and consistently implementing the intervention strategies recommended by the SAT.

The failure to support the SAT process is a serious matter and may constitute just cause for terminating or canceling a teacher's employment.
