**Class Rank**

Student class rank shall be determined by using a numeric grade point average derived from all classes graded on a numeric basis. To be included in the class ranking, a student must have received a numeric grade for each core curriculum class in which he/she was enrolled. For the purposes of this policy, core curriculum shall include all courses in the areas of language arts, mathematics, science, and social studies.

Students must be enrolled in the district's high school the last two semesters to be eligible to be included in class ranking.

**Due to changes approved by the school board on June 8, 2015, beginning with the Seward High School graduating class of 2019, Seward High School will no longer calculate class rank. Effective June 1, 2018 this policy will be removed from the board policy manual.**
