

**6026**  
**Emergency Dismissal**

The superintendent is responsible for determining when school and/or extracurricular activities should be cancelled or dismissed due to severe weather or other emergency conditions. Coaches and/or sponsors may not conduct practices on days that school is cancelled without first securing the superintendent's specific permission and only in extreme circumstances. Parents will always have the right to determine what is best for their children and may keep them home if they feel the roads are not safe for travel.
