PROCEDURE (IDENTIFICATION, EVALUATION AND VERIFICATION {continued})

006.02 General Evaluation Requirements

006.02A The screening of a child by a teacher or specialist to determine appropriate instructional strategies for curriculum implementation shall not be considered to be an evaluation for eligibility for special education and related services

006.02B Consistent with the consent requirements in 92 NAC 51-009.08A a parent of a child, the Nebraska Department of Education, another State agency or a local school district or approved cooperative or a nonpublic school may initiate a request for an initial evaluation to determine if the child is a child with a disability.

006.02B1 Except for infants and toddlers, the resident school district or approved cooperative shall conduct a full and individual initial evaluation for each child being considered for special education and related services before the initial provision of special education and related services to a child with a disability. The initial evaluation shall determine whether a child is a child with a disability, and the educational needs of the child. For infants and toddlers, early intervention services in accordance with 92 NAC 51-007.13, may begin prior to completion of a full and individual initial evaluation.

006.02B1a In implementing the requirements of 92 NAC 51-006.02A the school district or approved cooperative shall ensure that:

006.02B1a(i) The evaluation is conducted in accordance with the procedures described in Section 006 of this Chapter.

006.02B1a(ii) The results of the evaluation are used by the child's IEP team in meeting the requirements of Section 007 of this Chapter.

006.02C Verification criteria and procedures:

006.02C1 School districts and approved cooperatives must ensure assessments and other evaluation materials used to assess a child under this Chapter;

006.02C1a Are selected and administered so as not to be discriminatory on a racial or cultural basis; and

006.02C1b Are provided and administered in the child's native language or other mode of communication and in the form most likely to yield accurate information on what the child knows and can do academically, developmentally and functionally, unless it is clearly not feasible to do so.

006.02C1c For infants and toddlers, tests and other evaluation materials and procedures are administered in the native language of the parent or other mode of communication, unless it is clearly not feasible to do so.

PROCEDURE (IDENTIFICATION, EVALUATION AND VERIFICATION {continued})

- 006.02C2 Are used for purposes for which the assessments or measures are valid and reliable.
- 006.02C3 School districts and approved cooperatives must ensure assessments of children with disabilities who transfer from one school or approved cooperative to another school or approved cooperative in the same academic year are coordinated with such children's prior and subsequent schools, as necessary and as expeditiously as possible, to ensure prompt completion of full evaluations.
- 006.02C4 School districts and approved cooperatives must ensure materials and procedures used to assess a child with limited English proficiency are selected and administered to ensure that they measure the extent to which the child has a disability and needs special education, rather than measuring the child's English language skills.
- 006.02C5 School districts and approved cooperatives must ensure a variety of assessment tools and strategies are used to gather relevant functional, developmental and academic information about the child, including information provided by the parent, and information related to enabling the child to be involved in and progress in the general education curriculum (or for a preschool child, to participate in appropriate activities), that may assist in determining:
- 006.02C5a Whether the child is a child with a disability under 92 NAC 51-003.10; and
 - 006.02C5b The content of the child's IEP.
- 006.02C6 School districts and approved cooperatives must ensure any standardized tests that are given to a child:
- 006.02C6a Have been validated for the specific purpose for which they are used; and
 - 006.02C6b Are administered by trained and knowledgeable personnel in accordance with any instructions provided by the producer of the assessments.
- 006.02C6b9(i) If an assessment is not conducted under standard conditions, a description of the extent to which it varied from standard conditions (e.g., the qualifications of the person administering the test, or the method of the test administration) must be included in the evaluation report.
- 006.02C7 School districts and approved cooperatives must ensure tests and other evaluation materials include those tailored to assess specific areas of educational need and not merely those that are designed to provide a single general intelligence quotient.

PROCEDURE (IDENTIFICATION, EVALUATION AND VERIFICATION {continued})

006.02C8 **School districts and approved cooperatives must ensure** tests are selected and administered so as best to **ensure** that if a test is administered to a child with impaired sensory, manual, or speaking skills, the test results accurately reflect the child's aptitude or achievement level or whatever other factors the test purports to measure, rather than reflecting the child's impaired sensory, manual, or speaking skills (unless those skills are the factors that the test purports to measure).

006.02C9 **School districts and approved cooperatives must ensure** no single measure or assessment is used as the sole criterion for determining whether a child is a child with a disability and for determining an appropriate educational program for the child.

006.02C10 **School districts and approved cooperatives must ensure** the child is assessed in all areas related to the suspected disability, including, if appropriate, health, vision, hearing, social and emotional status, general intelligence, academic performance, communicative status, and motor abilities.

006.02C11 **School districts and approved cooperatives must ensure** in evaluating each child with a disability under Section 006, the evaluation is sufficiently comprehensive to identify all of the child's special education and related services needs, whether or not commonly linked to the disability category in which the child has been classified.

006.02C12 The school district or approved cooperative **must use** technically sound instruments that may assess the relative contribution of cognitive and behavioral factors, in addition to physical or developmental factors.

006.02C13 The school district or approved cooperative **must use** assessment tools and strategies that provide relevant information that directly assists persons in determining the educational needs of the child.

006.02C14 In interpreting evaluation data for the purpose of determining if a child is a child with a disability and the educational needs of the child, each school district or approved cooperative shall:

006.02C14a Draw upon information from a variety of sources, including aptitude and achievement tests, parent input, teacher recommendations, physical condition, social or cultural background, and adaptive behavior; and

006.02C14b **Ensure** that information obtained from all of these sources is documented and carefully considered.

006.02C15 **School districts and approved cooperatives must ensure** evaluation and assessment for infants and toddlers **are:**

006.02C15a Conducted in accordance with Section 006 of this Chapter to determine eligibility for services including determining the status of the child in each of the developmental domains; **and**

PROCEDURE (IDENTIFICATION, EVALUATION AND VERIFICATION {continued})

006.02C16 After a child has been verified the district must conduct an assessment of the unique needs of the child in terms of each of the developmental areas to identify services appropriate to meet the needs of the child.

006.03 Multidisciplinary Evaluation Team (MDT) Requirements

006.03A The multidisciplinary evaluation team (including the child's parents) shall be responsible for the analysis, assessment and documentation of educational and developmental abilities and needs of each child referred for the purpose of individual evaluation. Using the documentation collected and the verification criteria found in Section 006 of this Chapter and the definition found in **92 NAC 51-006.04**, the MDT shall make all verification decisions. Documented information shall be collected to facilitate the development of a statement of present level of development and educational performance on the IFSP or IEP.

006.03B For students attending nonpublic schools, an administrator of the nonpublic school or a designated representative of the nonpublic school shall be a member of the MDT.

006.03E4 A copy of the evaluation report and the documentation of determination of eligibility shall be given to the parent **at no cost**.

006.03F Multidisciplinary Evaluation Team Written Report for a Child with a Suspected Specific Learning Disability

006.03F1 The MDT shall prepare a written report of the results of the evaluation.

006.03F2 The report shall include a statement of:

006.03F2a Whether the child has a specific learning disability based on the criteria **and definition** contained in 92 NAC 51-006.04K.

006.03F2b The child's educational needs;

006.03F2c The basis for making the determination **including an assurance that the determination was made in accordance with 92 NAC 51-006.02D 006.02C14**;

006.03F2d The relevant behavior **if any**, noted during the observation of the child; **and the relationship of that behavior to the child's academic functioning**;

006.03F2e The educationally relevant medical findings, if any;

006.03F2f **Whether the child does not achieve adequately for the child's age or to meet state-approved grade level standards consistent with 92 NAC 51-006.04K3a and the child does not make sufficient progress to meet age or state approved grade level standards consistent with 92 NAC 51-006.04K3b; or whether the child exhibits a pattern of strengths and weaknesses in performance, achievement, or both, relative to age, state approved grade level standards or intellectual development consistent with 92 NAC 51-006.04K3b(i)**;

PROCEDURE (IDENTIFICATION, EVALUATION AND VERIFICATION {continued})

006.03F2g The determination of the team concerning the effects of a visual, hearing, or motor disability; mental handicap, behavior disorder; cultural factors; environmental or economic disadvantage; or limited English proficiency on the child's achievement level; and

006.03F2h If the child has participated in a process that assesses the child's response to scientific, research-based intervention, then the instructional strategies used and the student-centered data collected; and the documentation that the child's parents were notified about:

006.03F2h(1) The school district's or approved cooperative's policies regarding the amount and nature of student performance data that would be collected and the general education services that would be provided;

006.03F2h(2) Strategies for increasing the child's rate of learning; and

006.03F2h(3) The parent's right to request an evaluation.

006.03F2i A listing of the team members.

006.03F3 Each team member shall certify in writing whether the report reflects his or her conclusion. If the report does not reflect his or her conclusions, the team member shall submit a separate statement presenting his or her conclusion.

006.03F4 A copy of the evaluation report and the documentation of determination of eligibility shall be given to the parent at no cost.

006.03G For a school age child who after initial MDT evaluation does not qualify for special education services or for a child with a verified disability who upon reevaluation no longer qualifies for special education services, a problem solving team shall document a plan to assist the teacher(s) in the provision of regular education.

PROCEDURE (IDENTIFICATION, EVALUATION AND VERIFICATION {continued})

006.05 Reevaluations

006.05A A school district or approved cooperative shall ensure that a reevaluation of each child with a disability is conducted in accordance with the verification procedures in Section 006 of this Chapter:

006.05A1 if the school district or approved cooperative determines that the educational or related services needs, including improved academic achievement and functional performance, or the child warrant a reevaluation; or

006.05A2 if the child's parents or teacher requests a reevaluation.

006.05B A reevaluation conducted under subsection 006.05 of this Chapter:

006.05B1 may occur not more than once a year, unless the parent and the school district agree otherwise; and

006.05B2 must occur at least once every three years, unless the parent and the school district agree that a reevaluation is unnecessary.

006.06 Review of Existing Evaluation Data

006.06A As part of an initial evaluation (if appropriate) and as part of any reevaluation, the IEP team and other qualified professionals as appropriate, shall:

006.06A1 review existing evaluation data on the child, including evaluations and information provided by the parents of the child, current classroom-based local or State assessments and classroom-based observations, and observations by teachers and related services providers; and

006.06A2 on the basis of that review, and input from the child's parents, identify what additional data, if any, are needed to determine:

006.06A2a whether the child is a child with a disability, as described in 92 NAC 51-003.10, and the educational needs of the child, or, in case of a reevaluation of a child, whether the child continues to have such a disability and such educational needs;

006.06A2b the present levels of academic achievement and related developmental needs of the child;

006.06A2c whether the child needs special education and related services, or in the case of a reevaluation of a child, whether the child continues to need special education and related services; and

006.06A2d whether any additions or modifications to the special education and related services are needed to enable the child to meet the measurable annual goals set out in the individualized education program of the child and to participate, as appropriate, in the general education curriculum.

PROCEDURE (IDENTIFICATION, EVALUATION AND VERIFICATION {continued})

006.06B The school district or approved cooperative shall administer such assessments and other evaluation measures as may be needed to produce the data identified by the IEP team under 92 NAC 51-006.06A2.

006.06C The IEP team and other qualified professionals may conduct its review without a meeting.

006.06D If the IEP team and other qualified professionals, as appropriate, determine that no additional data are needed to determine whether the child continues to be a child with a disability and to determine the child's educational needs the school district or approved cooperative:

006.06D1 shall notify the child's parents of:

006.06D1a that determination and the reasons for the determination; and

006.06D1b the right of **the** parents to request an assessment to determine whether the child continues to be a child with a disability and to determine the child's educational needs.

006.06E A school district or approved cooperative shall evaluate a child with a disability in accordance with this section before determining that the child is no longer a child with a disability.

006.06E1 The evaluation described in 92 NAC 51-006.06E **is not** required before the termination of a student's eligibility under this Chapter due to graduation from secondary school with a regular high school diploma, or to exceeding the age eligibility for a free appropriate public education under Neb. Rev. Stat. 79-1126. For a child whose eligibility terminates under these circumstances, a school district or approved cooperative shall provide the child with a summary of the child's academic achievement and functional performance, which shall include recommendations on how to assist the child in meeting the child's postsecondary goals.

RE-EVALUATION

PERSON(S) RESPONSIBLE: IEP members and other qualified professionals

TIMELINE: This process should begin well before the three year re-evaluation date and be timed so that the review of existing evaluation data can be accomplished during the IEP meeting.

MATERIALS: Parent Notice and Consent for Re-evaluation Form, Parent Rights Pamphlet, existing evaluation data, "Notice That No Additional Information Is Needed to Determine Continued Eligibility for Special Education" Form

PROCEDURE (IDENTIFICATION, EVALUATION AND VERIFICATION {continued})

METHODS:

1. IEP Team meets to review information available and decides on the nature of the re-evaluation. Parents are a part of the IEP Team, and therefore are part of the meeting.
2. If the IEP Team determines that no additional information is required to determine continued eligibility for special education, the IEP Team documents the decision on the "Notice That No Additional Information is Needed to Determine Continued Eligibility for Special Education Services Form". Parents should receive a copy of the form within 15-20 school days of the meeting. Parents may request that a comprehensive reevaluation be conducted even if the members of the IEP Team disagree.
3. If the IEP Team decides that additional information is needed to determine continued eligibility in special education, a Referral for Individual Evaluation Form is completed at the IEP meeting. The parents will receive a Parents Rights Pamphlet, a request for Consent to Re-evaluate 45 days prior to the reevaluation date. After the reevaluation is conducted, parents will be contacted to attend the MDT meeting to determine continued eligibility for special education and related services. After the reevaluation the MDT report is written by participating team members. Parents will receive a copy of the written report within 15-20 school days.
4. If reevaluation results in removing a disability verification, a MDT report is completed indicating that the child no longer qualifies. When the removal of a disability verification results in a dismissal from a special education program, the MDT report shall indicate the same. A copy of the report shall be placed in the student's record and parents shall be afforded all rights under Rule 51 to assist the student in transitioning back to general education
5. Student Assistant Team (SAT) references should be completed to assist the student in transitioning back to general education

PROCEDURE (IDENTIFICATION, EVALUATION AND VERIFICATION {continued})

006.07 Independent Educational Evaluation

006.07A A parent of a child with a disability **has** the right to obtain an independent educational evaluation of the child **at public expense if the parent disagrees with the evaluation obtained by the school district or approved cooperative**, subject to the provisions of 92 NAC 51- 006.07.

006.07B Each school district or approved cooperative shall provide to parents, upon request for an independent educational evaluation, information about where an independent educational evaluation may be obtained, and the school district's criteria applicable for independent educational evaluations.

006.07C **A parent is entitled to only one independent educational evaluation at public expense each time the school district or approved cooperative conducts an evaluation with which the parent disagrees.**

006.07C1 Public expense means that the school district or approved cooperative either pays for the full cost of the evaluation or **ensures** that the evaluation is otherwise provided at no cost to the parent.

006.07D If a parent requests an independent educational evaluation at public expense, the school district or approved cooperative must, without unnecessary delay, either:

006.07D1 Initiate a hearing under 92 NAC 55 to show that its evaluation is appropriate; or

006.07D2 **Ensure** that an independent educational evaluation is provided at public expense, unless the school district or approved cooperative demonstrates at a hearing under 92 NAC 55 that the evaluation obtained by the parent did not meet school district or approved cooperative criteria.

006.07E If the school district or approved cooperative initiates a hearing and the final decision is that the school districts or approved cooperative's evaluation is appropriate the parent still has the right to an independent educational evaluation, but not at public expense.

006.07F If a parent requests an independent educational evaluation, the **school district** or approved cooperative may ask for the parent's reason why he or she objects to the public evaluation. However, **the school district or approved agency may not require the parent to provide an explanation** and may not unreasonably delay either providing the independent educational evaluation at public expense or initiating a due process hearing to defend the public evaluation.

006.07G If the parent obtains an independent educational evaluation at **public expense or shares with the school district or approved cooperative an evaluation obtained at private expense**, the results of the evaluation:

PROCEDURE (IDENTIFICATION, EVALUATION AND VERIFICATION {continued})

006.07G1 Must be considered by the school district or approved cooperative, if it meets school district or approved cooperative criteria, in any decision made with respect to the provision of a free appropriate public education to the child; and

006.07G2 May be presented by any party as evidence at a hearing under 92 NAC 55 regarding that child.

006.07H If a hearing officer requests an independent educational evaluation as part of a hearing, the cost of the evaluation must be at public expense.

006.07I If an independent educational evaluation is at public expense, the criteria under which the evaluation is obtained, including the location of the evaluation and the qualifications of the examiner, must be the same as the criteria that the school district or approved cooperative uses when it initiates an evaluation, to the extent those criteria are consistent with the parent's right to an independent educational evaluation.

006.07J Except for the criteria described in 92 NAC 51-006.07I, a school district or approved cooperative may not impose conditions or timelines related to obtaining an independent educational evaluation at public expense.

INDEPENDENT EDUCATION EVALUATION

PERSON(S) RESPONSIBLE: Special Education Director, Special Education Teachers, Superintendent, Principal, and School Psychologist

TIMELINE: The district will respond to a request for an Independent Educational Evaluation within 10 days. In the case where the district approves the request for an Independent Educational Evaluation, they will provide parents with the list of the district's criteria for selecting an evaluator and a list of independent evaluators within 10 days.

MATERIALS: District criteria for selecting evaluator, list of independent evaluators, notice of approving request for an Independent Educational Evaluation or notice that district is not approving and filing for a hearing under 92 NAC 55.

METHODS: The parent will be requested to document the request through a written statement to the Director of Special Education.

The written request should contain:

1. Parental objections to the results of the district's educational evaluation;
2. Reference to the specific type(s) of evaluation requested; and
3. Consent of the parent(s)/guardian to release the personally identifiable confidential results of the evaluation to the school district.

If the decision is that an independent educational evaluation is appropriate, the parent(s)/guardian will receive written authorization from the Director of Special Education within 10 days of the written request. The parent's failure to provide a written request does not eliminate their right to an Independent Educational Evaluation.

PROCEDURE (IDENTIFICATION, EVALUATION AND VERIFICATION {continued})

If the district refuses to provide an Independent Educational Evaluation, the district will provide the parents with a notice of their decision. The district must file a hearing under 92 NAC 55 to prove the appropriateness of their evaluation.

The qualifications of examiners will be in accordance with 92 NAC 51. Locations of any evaluator shall be within a reasonable distance of the school district. The district will provide the parent(s) with a list of qualified agencies/evaluators within the geographic area. The evaluators will be encouraged to have their rates approved by the Nebraska Department of Education to be authorized to conduct the evaluation(s).

The district will establish maximum allowable charges for each educational assessment. Maximum allowable charges for the assessment allows the parent(s) to select from among qualified and approved professionals which will eliminate unreasonable and/or excessive fees for services. The district will provide for the parent(s) the opportunity to demonstrate that unusual circumstances justify the need for an independent evaluation which is not designated by this procedure.

If the parent(s) obtains an independent evaluation without notifying the district, the district will not assume the financial responsibility for the evaluation if the district's evaluation is determined to be appropriate by the hearing officer appointed under 92 NAC 55.

INDIVIDUALIZED EDUCATION PROGRAM

34 CFR 300.320 through 300.328

SEWARD PUBLIC SCHOOLS ENSURES THAT AN INDIVIDUALIZED EDUCATION PROGRAM (IEP), OR AN INDIVIDUALIZED FAMILY SERVICE PLAN (IFSP) IS DEVELOPED, REVIEWED, AND REVISED FOR EACH CHILD WITH A DISABILITY IN ACCORDANCE WITH 92 NAC 51-007.

PROCEDURE

007 Individual Education Program (IEP) and Individualized Family Service Plan (IFSP)

007.01 An IEP shall be developed, reviewed, revised, and implemented for each child who receives special education and related services. In order to fulfill the requirements of 92 NAC 51-007.01 for infants and toddlers, school districts or approved cooperatives shall meet the requirements of 92 NAC 51-007.13. FAPE is provided to infants and toddlers with a disability in accordance with an IFSP, rather than an IEP. The requirements for contents of the IFSP apply rather than the requirements for the contents of an IEP. All other substantive rights and protections established under special education laws apply to infants and toddlers with disabilities receiving FAPE in accordance with an IFSP.

007.02 School districts or approved cooperatives must provide special education and related services to a child with a disability in accordance with the child's IEP and make a good faith effort to assist the child to achieve the goals and objectives or benchmarks listed in the IEP.

007.02A At the beginning of each school year, each school district shall have an IEP in effect for each child with a verified disability within its jurisdiction.

007.02A1 In the case of a child with a disability age three through five, the IEP team must consider an IFSP that contains the IFSP content (including the natural environments statement) described in 92 NAC 51-007.13B4b (including an educational component that promotes school readiness and incorporates pre-literacy, language, and numeracy skills for children with an IFSP who are at least three years of age), and that is developed in accordance with the IEP procedures. The IFSP may serve as the IEP of the child, if using the IFSP, as the IEP is agreed to by the school district or approved cooperative and the child's parents.

007.02A2 In implementing the requirements of this section, the school district or approved cooperative must provide to the child's parents a detailed explanation of the differences between an IFSP and IEP and if the parents choose an IFSP, obtain written informed consent from the parents.

007.02B Each school district or approved cooperative shall ensure that an IEP is in effect before special education and related services are provided to a child with a verified disability under this Chapter and is implemented as soon as possible following the IEP meetings.

007.02C The child's IEP is accessible to each regular education teacher, special education teacher, related service provider, and other service provider who is responsible for its implementation; and

PROCEDURE (INDIVIDUALIZED EDUCATION PROGRAM {continued})

007.02D Each teacher and provider described in 92 NAC 51-007.02C must be informed of his or her specific responsibilities related to implementing the child's IEP; and the specific accommodations, modifications, and supports that must be provided for the child in accordance with the IEP.

007.03 IEP Team Participants

007.03A The school district or approved cooperative shall **ensure** and document that each IEP team includes the following:

007.03A1 **The** parents of a child with a disability or documentation of 92 NAC 51-007.06D;

007.03A2 **Not** less than one regular education teacher of the child (if the child is, or may be, participating in the regular education environment);

007.03A2a The regular education teacher of the child, as a member of the IEP team, shall, to the extent appropriate, participate in the development, review and revision of the IEP of the child, including assisting in the determination of appropriate positive behavioral interventions and supports, and other strategies, and the determination of supplementary aids and services, program modifications, and support for school personnel consistent with **92 NAC 51-007.07A5**.

007.03A3 **Not** less than one special education teacher, or where appropriate, not less than one special education provider of the child;

007.03A4 **A** representative of the school district or approved cooperative who:

007.03A4a **Is** qualified to provide, or supervise the provision of, specially designed instruction to meet the unique needs of children with disabilities;

007.03A4b **Is** knowledgeable about the general **education** curriculum; and

007.03A4c **Is** knowledgeable about the availability of resources of the school district or approved cooperative;

007.03A4c(i) A school district or approved cooperative may designate another member of the IEP team to also serve as the school district or approved cooperative representative, if the criteria in 92 NAC 51-007.03A4 are satisfied.

007.03A5 **An** individual who can interpret the instructional implications of evaluation results, who may be a member of the team described in 92 NAC 51-007.03A2 through 007.03A6;

007.03A6 **At** the discretion of the parent or the school district or approved cooperative, other individuals who have knowledge or special expertise regarding the child, including related services personnel as appropriate;

007.03A9 For children receiving services from an approved service agency, a representative of the service agency. If the representative is not in attendance, other methods shall be used to ensure participation by the approved service agency, including written communication, or individual or conference telephone calls;

007.03A10 If the purpose of the meeting is to consider postsecondary goals for the child and the transition services needed to assist the child in reaching those goals:

007.03A10a The school district must invite the child;

007.03A10a(i) If the child does not attend the IEP meeting, the school district or approved cooperative shall take other steps to ensure that the child's preferences and interests are considered.

007.03A10b To the extent appropriate, with the consent of the parents or a child who has reached the age of majority, the school district or approved cooperative must invite a A representative of any participating agency that is likely to be responsible for providing or paying for the transition services.

007.03A11 For a child verified in the category of hearing impaired, an educator endorsed to teach a child with hearing impairments.

007.03A12 For a child verified in the category of visual impairment, an educator endorsed to teach a child with visual impairments.

007.04 IEP Team Attendance

007.04A A member of the IEP Team described in 92 NAC 51-007.03A2 through 007.03A5 shall not be required to attend an IEP meeting, in whole or in part, if the parent of a child with a disability and the school district agree, in writing, that the attendance of such member is not necessary because the member's area of the curriculum or related services is not being modified or discussed in the meeting.

007.04B A member of the IEP Team in 92 NAC 51-007.04A may be excused from attending an IEP meeting, in whole or in part, when the meeting involves a modification to or discussion of the member's area of the curriculum or related services, if:

PROCEDURE (INDIVIDUALIZED EDUCATION PROGRAM {continued})

007.04B1 the parent, in writing, and the school district or approved cooperative consent to the excusal; and

007.04B2 the member submits, in writing to the parent and the IEP Team, input into the development of the IEP prior to the meeting.

007.05 In the case of a child who was previously served as an infant or toddler under Part C of the Individuals with Disabilities Education Act, an invitation to the initial IEP meeting shall, at the request of the parent, be sent to the Part C service coordinator or other representatives of the Part C system to assist with the smooth transition of services.

007.06 Parent Participation

007.06A The school district or approved cooperative shall take steps to ensure that one or both of the parents of the child with a disability are present at the IEP conference or are afforded the opportunity to participate, including:

007.06A1 Notifying parents of the IEP conference early enough to ensure that they will have an opportunity to attend; and

007.06A2 Scheduling the meeting at a mutually agreed on time and place.

007.06B The notification under 92 NAC 51-007.06A1 must indicate the purpose, time and location of the meeting and who will be in attendance and inform the parents of the provisions of 92 NAC 51-007.03A6, ~~and~~ 007.03A6a and 007.05.

007.06B1 For a child with a disability beginning not later than the first IEP to be in effect when the child turns 16, or younger if determined appropriate by the IEP Team, the notice also must:

007.06B1a Indicate that a purpose of the meeting will be the consideration of the postsecondary goals and transition services for the child in accordance with 92 NAC 51-007.07A9; and

007.06B1b Indicate that the school district will invite the child to the meeting; and

007.06B1c Identify any other agency that will be invited to send a representative.

007.06C If neither parent can attend the IEP meeting, the school district or approved cooperative shall use other methods to ensure parent participation, including individual or conference telephone calls consistent with 92 NAC 51-007.09H (related to alternate means of meeting participation).

007.06D A meeting may be conducted without a parent in attendance if the school district or approved cooperative is unable to convince the parents they should attend. In this case, the district must keep a record of its attempts to arrange a mutually agreed on time and place such as:

007.06D1 Detailed records of telephone calls made or attempted and the results of the calls;

PROCEDURE (INDIVIDUALIZED EDUCATION PROGRAM {continued})

007.06D2 Copies of correspondence sent to the parents and any responses received;
and

007.06D3 Detailed records of visits made to the parent's home or place of employment
and the results of those visits.

007.06E The school district or approved cooperative shall take whatever action is necessary
to **ensure** that the parent understands the proceedings of an IEP conference,
including arranging for an interpreter for parents who are deaf or whose native
language is other than English.

IEP MEETING

PERSON(S) RESPONSIBLE: Director of Special Education, IEP Case Manager, Special Education Staff

007.07A1b For preschool children, as appropriate, how the disability affects the child's participation in appropriate activities.

007.07A2 A statement of measurable annual goals, including academic and functional goals, designed to:

007.07A2a Meet the child's needs that result from the child's disability to enable the child to be involved in and make progress in the general education curriculum; or for preschool children, as appropriate, to participate in appropriate activities, and

007.07A2b Meet each of the child's other educational needs that result from the child's disability;

007.07A3 For children with disabilities who take alternate assessments aligned to alternate achievement standards, a description of benchmarks or short-term objectives;

007.07A6 An explanation of the extent, if any, to which the child will not participate with nondisabled children in the regular class and in the activities described in [92 NAC 51-007.07A5](#);

007.07A7 A statement of any individual appropriate accommodations that are necessary to measure the academic achievement and functional performance of the child on state and district-wide assessments; and if the IEP team determines that the child **must** take an alternate assessment **instead of** a particular regular state or district-wide assessment of student achievement, a statement of why:

007.07A7a The child cannot participate in the regular assessment; and

007.07A7b The particular alternate assessment selected is appropriate for the child; **and**

007.07A8 The projected date for the beginning of the services and modifications described in [92 NAC 51-007.07A5](#) and the anticipated frequency, location, and duration of those services and modifications;

007.07A9c(i) [Nothing in this Chapter relieves any participating agency, including the State Division of Vocational Rehabilitation, of the responsibility to provide or pay for any transition service that the agency would otherwise provide to children with disabilities who meet the eligibility of that agency.](#)

007.07A10 [Nothing in this section shall be construed to require that additional information be included in a child's IEP beyond what is explicitly required in subsection 007.07A, or to require the IEP team to include information under one component of a child's IEP that is already contained in another component of such IEP.](#)

007.07B In developing, reviewing or revising each child's IEP:

PROCEDURE (INDIVIDUALIZED EDUCATION PROGRAM {continued})

007.07B1 The IEP team shall consider the strengths of the child and the concerns of the parents for enhancing the education of their child.

007.07B2 The IEP team shall consider the results of the initial evaluation or most recent evaluation of the child, and the academic, developmental, and functional needs of the child.

007.07B3 In the case of a child whose behavior impedes his or her learning or that of others, the IEP team shall consider the use of positive behavioral interventions, and supports and other strategies to address that behavior.

007.07B4 In the case of a child with limited English proficiency, the IEP team shall consider the language needs of the child as those needs relate to the child's IEP.

007.07B5 In the case of a child who is blind or visually impaired, the IEP team shall provide for instruction in Braille and the use of Braille unless the IEP team determines, after an evaluation of the child's reading and writing skills, needs, and appropriate reading and writing media (including an evaluation of the child's future needs for instruction in Braille or the use of Braille), that instruction in Braille or the use of Braille is not appropriate for the child.

007.07B6 The IEP team shall consider the communication needs of the child, and in the case of a child who is deaf or hard of hearing, shall consider the child's language and communication needs, opportunities for direct communications with peers and professional personnel in the child's language and communication mode, academic level, and full range of needs, including opportunities for direct instruction in the child's language and communication mode.

007.07B7 The IEP team shall consider whether the child needs assistive technology devices and services.

007.07C Services

007.07C1 Routine checking of hearing aids and external components of surgically implanted medical devices.

007.07C1a Each school district and approved cooperative must ensure that hearing aids worn in school by children with hearing impairments, including deafness, are functioning properly.

007.07C1b Subject to 92 NAC 51-007.07C1b(i) each school district and approved cooperative must ensure that the external components of surgically implanted medical devices are functioning properly.

PROCEDURE (INDIVIDUALIZED EDUCATION PROGRAM {continued})

007.07C1b(i) For a child with a surgically implanted medical device who is receiving special education and related services under this chapter, a school district and approved cooperative is not responsible for the post-surgical maintenance, programming, or replacement of the medical device that has been surgically implanted (or of an external component of the surgically implanted medical device.)

007.07C2 Physical education services, specially designed if necessary, must be made available to every child with a verified disability receiving a free, appropriate public education, unless the school district or approved cooperative enrolls children without disabilities and does not provide physical education to children without disabilities in the same grades.

007.07C2a Each child with a verified disability must be afforded the opportunity to participate in the regular physical education program available to nondisabled children unless:

007.07C2a(i) The child is enrolled full time in a separate facility; or

007.07C2a(ii) The child needs specially designed physical education as prescribed in the child's individualized education program.

007.07C2b If specially designed physical education is prescribed in a child's individualized education program, the school district or approved cooperative responsible for the education of that child shall provide the services directly, or make arrangements for it to be provided through other public or nonpublic programs.

007.07C2c The school district responsible for the education of a child with a verified disability who is enrolled in a separate facility shall ~~insure~~ ensure that the child receives appropriate physical education services.

007.07C3 Each school district shall ensure assistive technology devices or assistive technology services, or both, as defined in 92 NAC 51-003.04 and 003.05 are made available to any child with a disability if required, as part of the child's:

007.07C3a Special education under 92 NAC 51-003.66;

007.07C3b Related services under 92 NAC 51-003.54; or

007.07C3c Supplementary aids and services under 92 NAC 51-003.65 and 008.01A.

007.07C3d On a case by case basis, the use of school-purchased assistive technology devices in a child's home or in other settings is required if the child's IEP team determines that the child needs access to those devices in order to receive a free appropriate public education.

PROCEDURE (INDIVIDUALIZED EDUCATION PROGRAM {continued})

007.07C4 The school district or approved cooperative shall take steps including the provision of supplementary aids and services determined appropriate and necessary by the child's IEP Team to provide nonacademic and extracurricular services and activities in the manner necessary to afford each school age child with a verified disability an equal opportunity for participation in those services and activities.

007.07C4a Nonacademic and extra-curricular services and activities may include counseling services, athletics, transportation, health services, recreational activities, special interest groups or clubs sponsored by the school district, referrals to agencies that provide assistance to individuals with disabilities and employment to students, including both employment by the school district or approved cooperative and assistance in making outside employment available.

007.07C5 Extended School Year Services (ESYS)

007.07C5a Each school district or approved cooperative shall ensure that extended school year services are available as necessary to provide a free appropriate public education consistent with 92 NAC 51-007.07C5b.

007.07C5b Extended School Year (ESY) services must be provided only if a child's IEP team determines, on an individual basis, in accordance with Section 007, that the services are necessary for the provision of a free appropriate public education.

007.07C5c In implementing the requirements of this section, a school district or approved cooperative may not: limit extended school year services to particular categories of disability; or unilaterally limit the type, amount, or duration of those services.

007.07C6 The need for related services of an instructional nature shall be documented on the IEP or IFSP present level of performance, goals, and objectives, and shall be based on documented diagnostic evidence. Determination of the need for a related service for a child with a verified disability does not require the additional verification of a secondary disability.

007.08 Programs for Children who Transfer School Districts or Approved Cooperatives

007.08A Transfer within the same state – If a child with a disability (who had an IEP that was in effect in a previous school district or approved cooperative in Nebraska) transfers to a new school district or approved cooperative in Nebraska, and enrolls in a new school within the same school year, the new school district or approved cooperative (in consultation with the parents) must provide FAPE to the child (including services comparable to those described in the child's IEP from the previous school district or approved cooperative), until the new school district or approved cooperative either:

007.08A1 Adopts the child's IEP from the previous school district or approved cooperative; or

PROCEDURE (INDIVIDUALIZED EDUCATION PROGRAM {continued})

007.08A2 Develops, adopts, and implements a new IEP that meets the applicable requirements of 92 NAC 51-007.

007.08B Transfer from outside the state – If a child with a disability (who had an IEP that was in effect in a previous public agency in another State) transfers to a school district or approved cooperative in Nebraska, and enrolls in a new school within the same school year, the new school district or approved cooperative (in consultation with the parents) must provide the child with FAPE (including services comparable to those described in the child's IEP from the previous school district), until the new school district:

007.08B1 Conducts an evaluation pursuant to Section 006 of this Chapter (determined to be necessary by the new school district or approved cooperative; and

007.08B2 Develops, adopts, and implements a new IEP, if appropriate that meets the requirements of 92 NAC 51-007.

007.08C Transmittal of records –

007.08C1 To facilitate the transition for a child who transfers schools the new school in which the child enrolls shall take reasonable steps to promptly obtain the child's records, including the IEP and supporting documents and any other records relating to the provision of special education or related services to the child, from the previous school in which the child was enrolled, pursuant to Section 99.31(a)(2) of Title 34, Code of Federal Regulations.

007.08C2 The previous school in which the child was enrolled shall take reasonable steps to promptly respond to such request from the new school.

007.08C3 Neb. Rev. Stat. 79-2,105 requires that a copy of a public or private school's files or records concerning a student shall be provided at no charge, upon request, to any public or private school to which the student transfers.

007.09 IEP Meeting

007.09A A meeting to develop an IEP for a child must be held within thirty (30) calendar days of a determination that the child needs special education and related services.

007.09B After the initial IEP meeting, IEPs must be in effect at the beginning of each school year.

007.09C The IEP team shall review the child's IEP periodically, but not less frequently than annually, to determine whether the annual goals for the child are being achieved.

007.09D The school district or approved cooperative shall provide a copy of the IEP to parents at no cost.

007.09E In making changes to a child's IEP after the annual IEP meeting for a school year, the parent of a child with a disability and the school district or approved cooperative may agree not to convene an IEP meeting for the purposes of making those changes, and instead may develop a written document to amend or modify the child's current IEP.

PROCEDURE (INDIVIDUALIZED EDUCATION PROGRAM {continued})

007.09E1 If changes are made to the child's IEP in accordance with 92 NAC 51-007.09E, the school district or approved cooperative must ensure that the child's IEP Team is informed of those changes.

007.09F Changes to the IEP may be made either by the entire IEP Team at an IEP Team meeting, or as provided in 92 NAC 92-007.09E of this section, by amending the IEP rather than by redrafting the entire IEP. Upon request, a parent must be provided with a revised copy of the IEP with the amendments incorporated.

007.09G To the extent possible, the school district or approved cooperative shall encourage the consolidation of re-evaluation meetings for the child and other IEP Team meetings for the child.

007.09H When conducting IEP team meetings and placement meetings and carrying out administrative matters (such as scheduling, exchange of witness lists, and status conferences), the parent of a child with a disability and a school district or approved cooperative may agree to use alternative means of meeting participation, such as video conferences and conference calls.

007.10 The IEP team shall revise the IEP as appropriate to address:

007.10A Any lack of expected progress toward the annual goals described in 92 NAC 51-007.07 and in the general education curriculum, if appropriate;

007.10B The results of any reevaluation conducted under 92 NAC 51-006.05A;

**LEAST RESTRICTIVE ENVIRONMENT (34 CFR 300.114);
NATURAL ENVIRONMENTS (34 CFR 303.18)**

TO THE MAXIMUM EXTENT APPROPRIATE, CHILDREN WITH DISABILITIES, INCLUDING CHILDREN IN PUBLIC AND NONPUBLIC INSTITUTIONS OR OTHER CARE FACILITIES, ARE EDUCATED WITH CHILDREN WHO ARE NOT DISABLED, AND SPECIAL CLASSES, SEPARATE SCHOOLING, OR OTHER REMOVAL OF CHILDREN WITH DISABILITIES FROM THE REGULAR EDUCATION ENVIRONMENT OCCURS ONLY WHEN THE NATURE OR SEVERITY OF THE DISABILITY OF A CHILD IS SUCH THAT EDUCATION IN REGULAR CLASSES WITH THE USE OF SUPPLEMENTARY AIDS AND SERVICES CANNOT BE ACHIEVED SATISFACTORILY.

IF PLACEMENT IN A PUBLIC OR NON-PUBLIC RESIDENTIAL PROGRAM IS NECESSARY TO PROVIDE SPECIAL EDUCATION AND RELATED SERVICES TO A CHILD WITH A DISABILITY, THE PROGRAM INCLUDING NON-MEDICAL CARE AND ROOM AND BOARD, MUST BE AT NO COST TO THE PARENTS OF THE CHILD.

____ SEWARD PUBLIC SCHOOLS ____ ENSURES THAT CHILDREN WITH DISABILITIES HAVE AVAILABLE TO THEM THE VARIETY OF EDUCATIONAL PROGRAMS AND SERVICES AVAILABLE TO NON-DISABLED CHILDREN, INCLUDING ART, MUSIC, INDUSTRIAL ARTS, CONSUMER AND HOMEMAKING EDUCATION AND VOCATIONAL EDUCATION. **FOR INFANTS AND TODDLERS, SERVICES WILL BE PROVIDED IN THE CHILD'S NATURAL ENVIRONMENTS, INCLUDING HOME AND COMMUNITY SETTINGS THAT ARE NATURAL OR NORMAL FOR THE CHILD'S AGE PEERS WHO HAVE NO DISABILITIES.**

PROCEDURE

008 Placement of Children With Disabilities

008.01 Least Restrictive Environment (LRE) Requirements

008.01A The school district **or approved cooperative** shall establish policies and procedures to assure that, to the maximum extent appropriate, children with disabilities including children in public or nonpublic schools and approved service agencies are educated with children who are not disabled, and that special classes, separate schooling, or other removal of children with disabilities from the regular educational environment occurs only when the nature or severity of the disability is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily.

008.01B Before any action is taken with respect to the initial placement of a child with disabilities, the school district or approved cooperative shall be responsible for the provision of a comprehensive individual multidisciplinary evaluation of the child's development and educational needs. For infants and toddlers, early intervention services may begin prior to completion of a full and individual initial evaluation in accordance with **92 NAC 51-007.17**.

008.01C **In determining the educational placement of a child with a disability, including a preschool child with a disability, school districts and approved cooperatives must ensure that:**

008.01C1 **The** placement decision is made by a group of persons, including **the parents and other** persons knowledgeable about the child, the meaning of the evaluation data, and the placement options; and

PROCEDURE (LEAST RESTRICTIVE ENVIRONMENT {continued})

008.01C2 The placement decision is made in conformity with the least restrictive environment requirements in 92 NAC 51- 008.01 and based on the child's unique needs and not on the child's disability.

008.01D Each school district or approved cooperative must ensure that a continuum of alternative placements is available to meet the needs of children with disabilities for special education and related services.

008.01D1 The continuum must:

008.01D1a Include instruction in regular classes, special classes, special schools, home instruction and instruction in hospitals and institutions; and

008.01D1b Make provision for supplementary services (such as resource or itinerant instruction) to be provided in conjunction with regular class placement.

008.01E The school district or approved cooperative shall ensure that the educational placement of a child with a verified disability:

008.01E1 Is determined at least annually;

008.01E2 Is based on his or her individualized education program (IEP); and

008.01E3 Is as close as possible to the child's home.

008.01F The various array of placement options included under 92 NAC 51-008.01D must be available to the extent necessary to implement the individualized education program for each child with a verified disability.

008.01G Unless a child's IEP or IFSP requires some other arrangement, the child must be educated in the school which he or she would attend if not disabled.

008.01H In selecting the least restrictive environment, consideration must be given to any potential harmful effect on the child or on the quality of services which he or she needs.

008.01I A child with a disability must not be removed from education in age-appropriate regular classrooms solely because of needed modifications in the general curriculum.

008.02 Natural Environments

008.02A To the maximum extent appropriate to the needs of the child, early intervention services must be provided in natural environments including home and community settings in which children without disabilities participate.

008.02B The provision of early intervention services for any infant or toddler may occur in a setting other than a natural environment only if early intervention cannot be achieved satisfactorily for the infant or toddler in a natural environment.

LEAST RESTRICTIVE ENVIRONMENT, NATURAL ENVIRONMENTS

PERSON(S) RESPONSIBLE: Director of Special Education and IEP/IFSP Team

TIMELINE: Students will begin receiving special education and related services within 5 days of receipt of Parental Consent for Placement based upon the IEP/IFSP.

MATERIALS: IEP/IFSP Form, Parental Notice and Consent for Initial Placement Form

METHODS: The IEP/IFSP Team will consider all placement options prior to the placement of a student.

The placements may range from regular classroom instruction for the entire school day with modifications to the regular instructional program to other settings dictated by student needs. The district may also develop additional placement alternatives within the overall school program that are tailored to the needs of the individual student with disabilities. This placement may be developed by adapting or modifying existing placement alternatives based on the needs of the individual student with disabilities.

For infants and toddlers, service must be provided in natural environments except for those limited situations in which the child's needs dictate a different environment.

When making the placement decision the team shall:

1. Review and discuss past educational experiences;
2. Review current levels of educational performance;
3. Review current education needs as documented on the IEP/IFSP; and
4. Review and formulate a preliminary configuration of special education and related service options.
5. Review and compare the options identified in (4) above with the need for LRE. To achieve this, the IEP/IFSP Team will select the special education placement that allows for the implementation of the IEP/IFSP while educating the student to the maximum extent appropriate with non-disabled peers. The team shall prepare written justification for the appropriate placement selected and document in writing why other options were not selected.
6. When an infant or toddler is placed in an environment other than the child's natural environment, a plan and timeline for returning to the child's natural environment will be in place.

The district will provide written notice to parents and obtain written consent from parents prior to initial placement. If the district has made available an appropriate special education program in accordance with Rule 51 for a student with a disability, and the student's parents choose to unilaterally place the child in a different setting, the district is not required to pay for the child's education in the alternative setting.

009.03G Amendment of Records at Parent's Request

009.03G1 A parent who believes that information in education records collected, maintained, or used is inaccurate, or misleading, or violates the privacy or other rights of the child, may request the participating agency which maintains the information to amend the information.
