**Grades:** Keep your grades up, if you are failing a class on the week of Skills State, you will be ineligible to go to the State Competition and will be required to pay registration and hotel expenses. If you decide at the last second not to attend state you will be required to pay these fees as well. Peyton S, Austin S, Ryan S.

Check the [www.skillsusanebraska.org](http://www.skillsusanebraska.org) website regularly. Under **Contest Information Menu** there is a **Contest Status** link showing you how many people will be in your competition, if you are on a team that is how many teams are in your competition. So, please practice so that you can do well. They medal to the Top 3 in each competition. Under **State Winners** is where you can find out your results after state is completed. You will need your contest numbers to help with this. Under **Contest Updates** is the **Tool List and Scope of Contest**, in there is information on what coordinators listed that you need to bring and/or what you need to be prepared for. Check this on a regular basis. I have a copy of the tool list for all competitions. Please come in and look it over so that you know what to bring. It is your responsibility to bring these items. If you need something from me, let me know ahead of time so that I can get those things for you.

**Soccer Players/Baseball Players/ ACT People:** Make sure you communicate with me on your plans for state. I will assume that you will be going with us, unless I hear differently from you.

Please let me now if I can be of assistance as you are preparing for your competitions. It is up to you to be prepared! It is your responsibility, not mine. Please keep me informed weekly on how your preparation is going? There is only one of me and 50 of you, so it is your responsibility to know what is expected of you.
