Skills Handbook – Chris U
Skills Handbook – Carl H
Skills Handbook – Cale M
Skills Handbook – Austin V.
Text Book – Kyrie K.
Text Books – Allison/Emily
Text Book – Theresa T
Text Book – Alyssa S.

Those that have not picked up your State Conference Certificates, please do that today.

I have Thank You notes that I need all of you to sign. It is a Thank you note for the School Board and Dr. Barnes thanking them for picking up your \$60 state registration fee and your \$140 national registration fee. It is the least we can do to thank them for the large sum of money they provided so that you can attend these conferences.

State Officers need to visit with me about getting your Blazer Size, so that I can order you one in time for SOLA.

Those of you that want to be a Chapter Officer next year need to fill out an application form. I will assign positions after the Mid-America Conference. Those of you that would like to attend Mid-America need to fill out an application form and see me about attending. This conference is not for everyone, it is a Leadership conference and there is a lot of work you will need to do at the four days you will be there. The dates are below:

**October 24- 28, 2012 SkillsUSA Mid-America Conference
New World Inn, Columbus, NE Registration Deadline: September 9, 2012**

Those Going to Nationals:

Please make sure you are prepared. I want everyone to have a great experience and a chance to do well. I feel you can earn a medal at nationals but you have to prepare yourself well in order to beat out the best of the nation's best. Practice, Practice, Practice!

Resume's need to be done and submitted on-line, let's get those done today!

Hotel Info is on the Itinerary, please let your parents know. Everything is on my website as well under the Seward Public Schools website then go to - High School at top – Teacher Pages – Mr. Holliday - SkillsUSA

Contest Clothing for Nationals: Everyone needs to look at their technical standards sheet and make sure you follow clothing requirements for your contest. You will also need to be in Professional Business Attire for the opening and closing ceremonies. That is a white dress shirt with black tie, pants, belt, shoes, socks, etc for boys and white blouse type shirt, black pants or dress, hose, shoes for women. It would not hurt to have two pairs of shirts and pants if possible.

Tool Lists are listed on your technical standards sheet. Please look them over so that you know what to bring to nationals. It is your responsibility to bring these items. If you need something from me, let me know so that I can help.

National SkillsUSA Conference in Kansas City is June 23rd -27th.
