* Snow Days will be added back into the calendar. The last day of school is determined by the number of snow days used. The last scheduled day of school is May 16. The last day may change depending upon how many scheduled days are canceled. If one snow day is used it would be May 17, two snow days = May 20, and so on. Other than rare instances, we will try to complete school by Memorial Day, but in order to do so, other calendar changes could be necessary.
