

# Request for Staff Development Funds

Seward Public Schools

- Elementary     Middle School     High School     District     Alternative Ed. Center

Name: \_\_\_\_\_

## Project Abstract:

### A. District Strategic Plan Strategy Addressed: (check all applicable)

- We will research, design, and support the implementation of programs that develop physical, mental, social, and emotional health in a secure and nurturing environment that develops the grit and resilience of our students.
- We will develop plans and partnerships, that cultivate positive character, citizenship, and leadership for all students in a culture where all stakeholders feel valued, known and safe.
- We will extend our implementation of consistent district-wide processes for instructional decisions.
- We will research, develop, and implement plans to create consistent systems to enhance student learning.
- We will develop and implement plans to differentiate and expand our instructional delivery systems to meet each student's needs in a changing world.
